For the boy

full of life....

The American boy is a big bundle of nervous energy. This "ginger", "pep" or whatever you choose to call it keeps him continually on the run from early morning till late at night. And his shoes get more hard wear than any other member of the family can give them. No ordinary boy's shoes can stand the pace. If you want to avoid spending all your money each week for boys' shoes get him our dependable boys' shoes.

ME'RE AFTER YOUR CLOTHING business---not for one time, but for all time. We're after it with values that once we sell you, will make you a fast friend for Hayden's Clothing Department.

We are now supplying the every clothes need of thousands of men and young men-not alone in the city proper, but from all over the state.

Our clothing business is growing by leaps and bounds, but we're not satisfied till you, "Mr. Man," have looked into the merits of the famous

Hart, Schaffner & Marx and Hayden Wonder Clothes

We have always, and intend to maintain, under any and all conditions, our policy of giving the very best obtainable at any given price and of guaranteeing each purchase full clothes satisfaction or money back. Could you ask more?

We've made special preparations for a rousing Saturday business in spring style, shape-retaining, all wool suits at-

We're showing for Saturday some 500 suits, made by Hart, Schaffner & Marx, to sell to \$25.00; not a suit worth less than \$20.00; all at one price. Magazine clothes, some competitors say;

but if they were not good enough to be advertised in the magazines they would not be good enough for us to sell. It takes unusual merit and a reasonable price to stand national advertising year after year. Hart, Schaffner & Marx clothes have both, and we're in a position to give you better style and quality in suit or top coat at one given price than you can find offered elsewhere in Omaha.

Our Boys' Clothing Section is Rapidly Coming to the Front

Wise parents who investigate quickly see the advantage of buying here not only Saturday but any day in the year. We have some specially
